A photograph of a wooden boat on a river at sunset. The sun is low on the horizon, creating a bright orange glow that reflects on the water. The boat's wooden planks and a small cabin structure are visible in the foreground. The background shows a hazy riverbank with trees.

The Loire Valley, a UNESCO World Heritage Site, is rich in both historical charm and natural beauty. It can be explored by bike, boat, on foot, or even on horseback

Upon request, we can arrange a variety of activities for our guests, including: traditional wooden boat tours on the Loire, hot-air balloon rides, wine tastings, and horseback excursions.

Thank you.
